Men's Technical Report

Men's Technical had another great and busy season!

COMPETITIONS

1. Harvest Classis- November
2. Titans, NS- December
3. PEI Classic, PEI- January
4. Black Jack, Las Vegas- February
5. Halifax Alta, NS- February
6. Provincials, PEI- March
7. NS Provincials, NS- April
8. Atlantics, NL- April
9. Easterns, QC- May
10. Canadians, Alberta- May

HIGHLIGHTS

1. Matt Gallant- National Open Pommel Horse Champion
2. Alex Mann- National Open 7th All Around
3. Atlantics- 2 Team Golds: Level 3, U13 & Level 4, 13_
4. Black Jack- several medals from 3 boys

TRAINING CAMPS

1. Monthly Camps- Charlottetown/Summerside, with CJ Keliher
2. Nationals Preparation Camp- May with Kelly Thompson
3. Club Camps- with Kelly Manjak, Kelly Thompson, Dave Arnold, Jared Goad

COACHING

Presently- 2 Level 4, 1 Level 3, 1 Level 2 and several Level 1.

JUDGING

1. Jeff MacRae hosted a clinic in January
2. Jeff MacRae was a Gymnastics Canada funded judge at Elite Canada and Canadians
3. Judges attended Atlantics (2) and Easterns (1)

PEI LEGACY GRANTS

Gymnastics PEI continues to be part of the Coaching Grant Program

NEW INITIATIVES IN 2015-2016

1. Men's Annual Awards- The first named awards were presented with great success in June.
2. Flexibility Testing- was initiated successfully at 2 competitions.
3. For 2016-2017: Flexibility testing will be expanded to 3 times (Provincials, PE Classic, and a fall test) and strength testing will be implemented

FACILITIES

Exciting news for Summerside Saultos as they move into their new facility in October.

SPORT PEI AWARDS

1. Scott Chandler- recipient of the 1st event Inspiration Award
2. Jim Rand- recipient of the President's Award

MEN'S TECHNICAL CHAIR

Good luck and best wishes to new Men's Technical Chair, Sharon Gareau. I hope the men's program will respond and grow under her leadership.

Women's Technical Report

JUNIOR OLYMPIC PROGRAM

As of July 1, 2015 Canada has adopted the JO Program developed in the USA for use in the Provinces and Territories. The Junior Olympic program was developed with the belief that all athletes, regardless of their potential, must have a solid foundation of basic skills in order to advance safely. The program allows the gymnast to advance at her own pace, competing in more than one level in a year, if she so chooses.

WOMEN'S TECHNICAL PROVINCIAL FUNDING

WT did apply for many projects this coming year in Athlete and Judging development. Many projects did include funding to provide junior competitive athletes with an introduction to competition, regional competition funding, a team building workshop, maintain and increase competitive performance by attending out of region meets like Gymnix, funding for International meets, and judging assistance for new judges and senior judges at out of province competitions.

NATIONAL JUDGES COURSE, September 12-13 Moncton, NB

Our National Eligible Judge Janet Duval attended the National judging course in Moncton New Brunswick September 12-13 with course conductor Andree Montreuil.

The course was based on levels 9-10 of the JO Optional program. The course has historically been based of FIG rules, but due to the changes to the Canadian National Program, this course was based on the new JO rules instead. JO 9-10 is replacing the National Open and National Novice system from 2014-2015

COACHES/JUDGES JUDGING UPDATE, October 4th, Charlottetown, PEI

A total of 11 participants took the update judging course held at the Island Gymnastics Academy on Sunday October 4th from 9:00 am – 11:00 am. Course conductor Janet Duval gave the two hour clinic.

The course was based on the JO Optional program. The purpose was to inform current judges of the changes that have been made to the JO Optional program since last year, and to clarify some of the common questions and errors that had arisen throughout last year's season. There were people in attendance from each of the 4 competitive clubs on the Island.

PROVINCIAL TRAINING CAMP, October 18th, Summerside, PEI

A total of approximately 85 young gymnasts participated at the 2015 Provincial Training Camp hosted by the Saultos Gymnastics Club on Sunday October 18th

Along with many Island coaches special guest coach Kelly Thompson was on hand to help with the October camp

BEGINNER'S JUDGING COURSE, November 14th Charlottetown, PEI

A beginner's Judging Course was held at the IGA on Saturday November 14th. Seven new judges took this course from 9:00 am to 5:00 pm. Course Conductor was Janet Duval.

The purpose of the course was to introduce beginner judges to the JO Compulsory Program.

COMPETITIONS:

HARVEST CLASSIC, December 4th -5th, 2015 Charlottetown, PEI

The Island Gymnastics Academy hosted the first qualifier of the year for all female and male gymnasts. All four competitive clubs registered with PEI participating. The event started Friday morning and afternoon with men's competing first at the Island Gymnastics academy. A total of 117 female gymnasts attended their first competition of the year.

DARTMOUTH INVITATIONAL MEET, January 10th, Dartmouth, NS

A total of 55 Athletes from IGA, Saultos and Victory travelled to Dartmouth to participate at the Dartmouth Invitational Gymnastics Meet.

FUNDY GYMNASTICS CLUB INVITATIONAL MEET, January 15th -17th, St. John NB

A total of 6 Athletes from the St. Louis Gymnos Gymnastics Club travelled to St. John NB to participate at the Fundy Gymnastics Club Invitational Gymnastics Meet.

PRINCE EDWARD CLASSIC, January 22nd -24th, Charlottetown, PEI

The Island Gymnastics Academy hosted their annual invitational competition Friday to Sunday January 22 to the 24th at the Delta Prince Edward in Charlottetown.

A total of 334 female gymnasts' from PEI Level 3 to National participated from many clubs across the Atlantic Provinces. In our own province we had 130 female participants from all four competitive clubs.

TAISO CUP, February 12-13, Lower Sackville, NS

A total of 8 female gymnasts from the St. Louis Gymnos participated at the annual Taiso Cup.

PRESIDENTIAL CLASSIC, February 12-15, Florida, USA

In February 4 gymnasts and one coach from the Island Gymnastics Academy travelled to Florida, USA to participate at the Presidential Classic

ALTAMATE GYMNASTICS MEET, February 26-28, Halifax, Nova Scotia

In February, 52 gymnasts form the Saultos Gymnastics Club, Island Gymnastics Academy and Victory travelled to Halifax Nova Scotia to participate in the ALTAmate Gymnastics' Meet.

LA CLASSIQUE GYMNIX, March 3-6, Montréal, Québec,

In February, 10 gymnasts from the Island Gymnastics Academy travelled to Montréal Québec to participate in the 25th La Classique Gymnix. This prestigious competition hosted close to 1000 participants from many different countries. Sophie Mayne led the Academy team with her gold medal performance on the floor following an exceptional score of 9.7 Mayne was 5th on beam, 3rd on vault and won the all-around bronze medal in the Level 7 category.

GYMNASTICS PEI PROVINCIAL CHAMPIONSHIP, March 12-13, Slemon Park Sports Centre, PEI
The Gymnastics PEI Provincial Championship was hosted in Summerside at the Saultos Gymnastics Club at the Slemon Park Canada Games Centre on Saturday and Sunday March 12th and 13th.

A total of 126 female gymnasts competed from level 3 to Level 8. The event was the last qualifier to be selected to represent our Province at the 2016 Atlantic Gymnastics Championship in St. John's Newfoundland and for the Eastern Gymnastics Championship held in Québec City, Québec.

2016 ATLANTIC GYMNASTICS CHAMPIONSHIP, April 22nd-23rd St. John's, Newfoundland
A total of 31 girls in 11 different categories earned the right to represent Team PEI along with 4 funded coaches and 2 judges to Atlantic Championships. Team head coach Shelley Furgerson , coaches Sharon Gareau, Paul Goguen and Kristi Shoemaker , judges Janet Duval ,Meagan Gallant .

The annual competition features close to 300 of the top gymnasts from all four Atlantic Provinces. The event was held at the Sportsplex on Friday and Saturday April 22nd – 23rd. Live streaming was available for anyone back home to follow our gymnasts during the competition.

Our gymnasts represented PEI extremely well claiming 50 individual event ribbons and 14 all around awards including two all around gold by Tory Hogan and Sophie Mayne. Our Provincial teams also won three team gold medals. Unfortunately four gymnasts from Team PEI didn't make the trip due to thick fog which cancelled their flight to St. John's. These gymnasts were Chloe Cudmore, Kenzie Myers, Rae-Lee MacDonald and Jacqueline Taylor.

2016 EASTERN CANADIAN GYMNASTICS CHAMPIONSHIP, May 6th- 8th, Québec City, Québec
A total of eight gymnasts from PEI competed at the 2016 Eastern Canadian Championship in Québec City in La Belle Province du Québec. Gymnastics PEI team Coaches Alice Ma and Kristi Shoemaker, drove to the event this year. The competition was held in the Sade Telus at the University of Laval. Live streaming was again available for us to watch our athletes back home.

Again our gymnasts represented PEI extremely well claiming individual event ribbons. Notable accomplishments:

Aspire 1-Kenzie Myers 4th on beam, 7th AA,
Aspire 1-Chloe Cudmore 6th floor, Maia

MacLean Aspire 1-8th beam, Tori Hogan Open 7-Bronze beam, 10th AA

GPEI AWARDS

Congratulations to all the ADL and GPEI Awards winners:

- Coach of the Year- Shelley Ferguson
- Official of the Year- Janet Duval
- Senior Female Athlete of the Year- Karisa Quinn
- Junior Female Athlete of the Year- Sophie Mayne
- Provincial Stream Female Athlete of the Year- Annika Trivers
- Team of the Year- Open 7 girls

Executive Director Report

The past year has been a successful year for Gymnastics PEI.

Both the women’s and the men’s technical committees were very busy this year, completing training camps and skills clinics and competing in meets. Both programs continue to build their capacity with coaching and judging educations sessions.

All clubs continue to be proactive in keeping their coaches trained and professional.

We have seen an increase in membership again this year, with most clubs adding new participants. A look back at previous AGM reports shows an increase of almost 900 participants from 2010 to 2016. Further in 2016, approximately 1.4% of all Islanders participated in a gymnastics program during the season. This is the second highest provincial average across the country doubling that of Ontario, Quebec, and Nova Scotia.

This year GPEI sent teams to Atlantics, Easterns, and Canadians bringing home many medals with the highlight being Matthew Gallant earning the title of National Champion on Pommel Horse in the National Open division at Canadians.

I would like to thank the GPEI board for their continued dedication to promoting gymnastic excellent across PEI.

Technical Director Report

In my first year serving GPEI as TD it has been a year of learning many new things regarding gymnastics in the province and nationally!

In this past year.

1. I am very thankful to both Sharon Gareau and Jim Rand they have been a lifeline to myself as they have over and over quickly responded to my questions, emails and text.

2. Club visits- I have made several visits to full time clubs. It is wonderful to see the quality programs and coaching offered in each club!

3. Some of my duties included ordering attire. It was all manageable with good cooperation from all clubs. Attire recommendations:

- Post dated checks from all would eliminate running around needlessly.
- Sizing was good as each club was able to have samples however more attention from clubs to mark adult or youth along with the size is necessary.

4. Attending GPEI meetings- It was great to see a club report from all competitive clubs. The positive atmosphere of meeting was a highlight. Recommendation to look into ways to have less paper at meetings.

5. Men's Tech meetings- These meetings have good goals and vision. There seems to be very good leadership and cooperation in the group. Recommendation for MT:

- To have more info and reports done electronically instead of paper in the future.

6. Women Tech meetings are well run with good discussion from all representatives. Each member has very good strength in understanding all aspects of competitive gymnastics.

7. AGM in Ottawa in June- The schedule was very intense yet very good discussions and leadership by Gymnastic Canada reps Suzanne Fisher and Meredith Warner. All province representative were helpful and knowledgeable. I have send the reports to all.

High Performance Plan

This new government initiative has taken me by surprise. It has consumed many many hours to read other plans, to wrap my head around what the Province expects from us, then editing, making calls, sending emails and text to be able to form a plan for GPEI to be able to submit to our Provincial government in the interest of funding for the GPEI with a final draft that has about 33 pages for Competitive Men and Women High Performance athlete and funding. The process from beginning to end has educated me in terminology, program, events and activities for our association. I am thankful for the experience and quality leadership of Sharon Gareau and Jim Rand with needed edits and info. Thank you to Valerie for her ability and skill to edit and ask the significant questions to put this plan together. Finally

I believe the HP plan will have a greater success when all HP identified coaches from each club work together taking turns to lead to develop top quality HP competitive men and women gymnasts in PEI.

Gymnastic Canada AGM highlights for me:

Gymnastics for all discussion the take away I got was: every province would like to see an increase in participation, develop more programs for all ages, see gymnastics re-enter the school system, inclusion, how Saskatchewan was able to have an increase of about 50% by bringing an Outreach team of gymnastics to outlying areas, each province recommended more non-competitive programming, how to retain gymnasts during the high school years and beyond, to see more growth in various types of gymnastics such as acrobatic, trampoline and more, to bring gymnastics into the communities and example is in Nova Scotia where gymnastics is included in the Nova Scotia Tattoo and lots of discussion on National gymnastic week which may move to a different season in the near future.

Another group activity and discussion was how does gymnastics affect the following four areas: the parents, the participants, the coaches the gymnastics administrators

Parents' expectations: Safety, Fun, Development, Their money's worth, Quality coaching, Programs close to their homes, A schedule that fits their family

Participants' expectations: Fun, Success, Movement, Caring coaches, Developing social skills, Safe, 3F Fun Fitness and Fundamentals.

Coaches' expectations: A positive experience, Access professional development, Safe environment, Support from Club administrator and parents, Mentorship opportunities to learn from one another, Communication with everyone involved

Administrators' expectations: Communication, Value for the money, Retention of members, Customer service, Safety, Appropriate programming, Quality staff, Access to experts, Good coaching education, Professional development opportunities, Physical literacy 4 participants

Thank you all for your cooperation and support.

Club Reports

Summerside Saultos Gymnastics Annual Report

Registration: Once again this year we saw our registration grow from 315 members to 374 members. We also had large waiting lists for numerous popular classes on Saturday mornings and certain days after school. We are projecting that for the upcoming year we will register over 450 athletes.

Competitive Program: Our competitive program also grew to almost 60 athletes this year. Our top female athletes competed in Level 8 and our top male athletes competed in Level 4. For the upcoming year we have added a few new competitive athletes but we only had 6 athletes not return from the previous year so it was difficult to fit in new athletes. We anticipate sending many athletes to Atlantics and Easterns again this year as they continue on their goals of competing at National Championships and Canada Games. We are also planning our first International Competition this year in the US.

Facility: We are moving to a new larger facility in the near future. Renovations are coming along and we anticipate a move in date sometime in October. We are excited to move in to the larger space which will allow us to accommodate more members during our peak class times and will allow our competitive athletes to progress much faster.

Staff: We continue to employ 2 full time staff in Jeff MacRae and Alice Ma. Along with our full time staff we have Freddy Martin as a consultant, Tashia MacLeod, Kristen Arsenault, Emmy Mae MacLeod and Alyssa Mugridge coaching in our competitive program and 9 coaches in our recreation programs. We have 3 new coaches that will be taking their Gymnastics Foundations Course later this year.

Events: This year we will once again be hosting the GPEI Provincial Championships. This will be the first year we host at our new facility. We will also be hosting our Annual end of year Gym Show which has grown tremendously in popularity. So much so that we are looking at hosting it at the Credit Union Place this year!

Island Gymnastics Academy

Annual Report

The Island Gymnastics Academy enjoyed a very busy season this past year. It was notable for a number of reasons, especially the fine performance of our gymnasts both in the region and at national competition. Our programs continue to grow, and a number of new initiatives were introduced this year. We are very excited about the coming season.

Competitions

There were numerous highlights for the Academy's competitive gymnasts these past 12 months. The Academy again hosted the Harvest Classic, in December with over 120 gymnasts from four PEI clubs in attendance. The ever popular Prince Edward Classic was held in January 2016, once again hosting over 400 gymnasts from Newfoundland, Nova Scotia, New Brunswick and Prince Edward Island. This continues to be one of the highest attended competitions east of Montreal.

Once again we enjoyed attending the provincial championships hosted by Summerside Saultos. The Academy was proud to announce 13 new provincial champions this year.

The Academy girls competed in several competitions last year including the Harvest Classic, Prince Edward Classic, Titans, Alta, Gymnix in Montreal, the Atlantics, and the highlight, Orlando, Florida, where they competed in the Presidential Classic. All told it was a busy, and very successful, year for our competitive girls.

The Academy boys competed in several invitational competitions, including the Harvest Classic, Prince Edward Classic, Titans, Alta, the Black Jack in Las Vegas, Atlantics, and the National Championships. Our highlight was for sure, the gold medal won by Matt Gallant on pommel at the National Championships. Alex Mann also competed at the National Championship and did very well.

The competitive season continues to be busy for both our boys and girls programs and we are looking forward to a very successful 2016/17 season.

Staff

We offer programs from bouncing babies to adult gymnastics. We have eight salaried coaches directing the programs, and more than 20 other coaches who work for the Academy on an hourly basis. The Academy is particularly pleased to welcome Scott Chandler and Katie MacLean to the coaching staff. Sarah MacDonald has left to pursue other interests and we wish her well.

Nick Murray has also joined the staff in a part-time capacity as Executive Director. Nick brings a lot of experience to the position having served with Sport PEI,

the PEI Soccer Association, and the PEI Sports Hall of Fame.

Janet Duval attended the National Championships as a judge this past year. We are very excited to have the club represented in this manner.

Professional development continues as a high priority. We also continue with our yearly first aid training. Dave Arnold again visited and provided expert instruction to our coaches, while Lloyd Mallard, an expert in children's learning styles, also provided an outstanding clinic to our salaried staff. Our recreation and preschool program directors deliver in house training for our recreation coaches.

In total we have four NCCP Level 3 coaches, two NCCP Level 4 coaches. All of our competitive coaches have NCCP training at various levels.

Athlete Development

The Academy takes this very seriously, and our coaches closely monitor the delivery of the programs, and the responses of our athletes.

The girls program continues to grow. The continued success at the competitive level is a tribute to the quality of the whole program offered to our gymnasts. International travel has become a part of the regular yearly program for the girls, while the boys continue to developing a very strong “mini tumbler” program. They continue to pursue International travel with a team competing in the US every year.

Recreation Gymnastics

The Academy is pleased to see these programs grow. We are always adapting the delivery of programs to meet the needs of our clients. We have children from age 1 to adults who enjoy the fun, fitness and fundamentals delivered in our recreation classes. Our satellite program in Montague continues to bring positive feedback. We are excited to have such a great relationship with Montague Consolidated School.

Our adult gymnastics program offers a great experience and work out for our adult members. They were welcomed additions to the Gymstrada event, which is always a popular showcase for the talents of all our gymnasts.

Other programs which show the variety and depth of our programming include hosting a home school program from Montague, Special Olympics, Open Gym (without structured instruction), and Teen Gym (with structured instruction).

The number of people on our waiting list for our recreation programs attests to their popularity and success.

Registration

The Academy currently has more than 1000 gymnasts registered with Gymnastics PEI.

Facility

Being part of the House of Sport continues to be extremely positive for the Academy. Sharing resources and overall facility with several sports has many benefits. The current space the Academy has is small, but is utilized fully. The use of the South Gym continues to grow.

How to get maximum use from the facility is always a question management is dealing with – we certainly need more to accommodate all of the programs we would like to offer!

Equipment

The Academy continues to update its equipment annually. A significant amount is spent each year on replacing and upgrading equipment. Mats in particular are an item where the Academy is continually looking to replace and upgrade.

History

The Island Gymnastics Academy opened its doors in September of 1981, so 2015 marks its 35th anniversary. A Legacy Wall is being prepared which should be ready later this year, where individuals with a significant history to the IGA will be able to sign their name and be recognized for their contributions.

Closing

As always we would like to thank Gymnastics PEI for partnering on several significant projects that encourage the development and growth of gymnastics on PEI. We acknowledge the great support from the Provincial Government. The continued funding through the TD program continues to see positive results in performance and expansion of programs on PEI. We look forward to working with the new TD under their new portfolio.

The 2009 Canada Games Legacy Grant received by Gymnastics PEI through Sport PEI will be a positive move forward for the boys program.

We would like to thank the parents for their tremendous support this year. Hosting the Harvest Classic and Prince Edward Classic events cannot be successfully undertaken without your support. Thank you to the Staff...your continued dedication to the children of the Island Gymnastics Academy is outstanding.

Thank you to the Board of Directors who work extremely well together and oversee the policy and procedures of the Academy.

St. Louis Gymnos Club Annual Report

St. Louis Gymnos has enjoyed another great and successful season this past year.

REGISTRATION

We had another big registration this year reaching 119 members. All our classes were full and we still had a waiting list. We run one preschool, two recreational, one pre competitive and one competitive program. Our coaching staff was one of the best we had for years getting older ex gymnasts to commit to helping out.

FUNDRAISER

Our two main fundraisers were again a great success raising funds to purchase a few new small pieces of equipment, training equipment and repairing some older mats. Our space is limited and it's hard to put bigger pieces of equipment in our school gym.

COMPETITIVE PROGRAM

Our small competitive program was a great success this year. Our girls competed in several invitational competitions including ~ The Harvest Classic, The Prince Edward Classic, Taiso, Fundy, our Provincial Championship, Atlantic Championship and Eastern Canadian.

PROVINCIAL CHAMPIONSHIP

We had a total of 12 competitive gymnasts compete at the 2016 GPEI Provincial Championship hosted by the Saultos in Summerside. For many of our younger gymnasts it was their first Provincial championship. We were very pleased with the performance of Tori Hogan, Emma Lee Lyon, Shailynn Richard and Megan Kinch. They earned the honor to represent our Province at the Atlantic Championship in Newfoundland. We are very thankful to GPEI and the Saultos for hosting an exciting and fun championship for our gymnasts to enjoy.

ATLANTIC CHAMPIONSHIPS

We were very excited to send four of our own gymnasts to participate at The 2016 Atlantic Gymnastic Championships in St. John's, Newfoundland in April.

In Novice 6 Megan Kinch finished 5th on vault, Emma Lee Lyon finished 4th on uneven bars and an 8th place All Around ribbon, Shailynn Richard received a silver medal on uneven bars and a 4th place All Around.

Tori Hogan competed in the Open 7 category and had a great performance. She finished 5th on the balance beam, 3rd on uneven bars, and 1st on floor and vault. She was also crowned All Around Open 7 Champion. She helped PEI win the Open 7 team award.

Our club also sent Paul Goguen as a fully funded Provincial coach and Meagan Gallant as a Provincial judge. Miss Gallant gained much needed experience judging the whole weekend. Paul was very appreciative for the chance to coach all athletes side by side with Shelley, Sharon and Kristi. Our parents would like to say a special thank you to Valerie and our very resourceful team manager Alice Ma for all their hard work taking care of all the PEI delegation.

Eastern Canadian Championships

Our club was very proud to send Tori Hogan to compete at the 2016 Eastern Canadian Championships in Québec City, Québec last May. Tori was the only PEI team member to finish with a medal. She performed one of her best beam routine earning her a bronze medal on this event. She finished 10th All Around in her category. Thank you to her Provincial coach Alice Ma for coaching her during the championship. We are very thankful to GPEI for giving her the opportunity and the support she needed to participate to compete in this high level competition.

GYMNASTICS PEI AWARDS

Our club would like to congratulate: Ellen McAssey - ADL Administrator Award Winner; Tori Hogan - ADL Team of The Year Award Winner Open 7; and Meagan Gallant -Club Coach Award Winner.

31st ANNUAL PARENT DAY CELEBRATION AND AWARDS

Our club held its 32nd Annual Parent Day on Sunday May 31st at ME Callaghan Int. School. This marked the first time we celebrated our Parent Day outside our club. It was by far the biggest and the most attended celebration we put together. The theme was “Girls Just Want To Have Fun” and they did, from the younger ones to the more advanced. We also handed our participation and club awards.

GYMNOS ANNUAL SUMMER CAMP

We were pleased to once again offer our annual summer camp the first week in July. We had a total of 40 young gymnasts attend this fun filled event. It was an opportunity for gymnasts to perfect and learn new skills.

SUMMER TRAINING

21 pre competitive and competitive gymnasts had a chance to practice twice a week all summer long this year. This was our biggest number of girls taking the opportunity to work new skills and for coaches to work with new upcoming gymnasts.

CLOSING

We anticipate having as big of a year next season as we try to accommodate as many new programs as we can to accommodate more new gymnasts. Recruiting new coaches to replace those who are leaving every year is always a big challenge for us.

Our board would like to say thank you to Valerie Vuillemot and all the board members for their hard work in making our association fun to be part of. We would like to congratulate Jim Rand for 40 year of success as Men's Technical Chairperson. His dedication to the men's program, his passion for the sport and commitment to promote gymnastics across PEI is an example for others to follow.
